Re: Chemical Recovery Systems Superfund Site - Elyria, Ohio

Dear Ms. Sheppard-Johnson:

I am writing to inform you that we have been retained by The Scott Fetzer Company to represent them concerning the above-referenced site. Accordingly, please direct all future contact with the Quikut Division of The Scott Fetzer Company to the undersigned.

To date, Quikut has not located, nor has U.S. EPA provided, any evidence linking Quikut with the Chemical Recover Systems ("CRS") Site. In order to assist Quikut with its internal investigation and to expedite resolution of this matter, please forward to me copies of all evidence U.S. EPA has gathered which allegedly links Quikut with the CRS Site. If U.S. EPA requires or would prefer that we submit a Freedom of Information Act Request, please let me know as soon as possible.

Sincerely,
